Project Title: **Repair and Maintenance of Motor Vehicles of the Philippine Competition Commission for C.Y. 2021**

I. BACKGROUND

The Philippine Competition Commission (“PCC”) is an independent quasi-judicial body mandated to implement Republic Act No. (“R.A.”) 10667, otherwise known as the Philippine Competition Act (“PCA”). The PCA prohibits anti-competitive agreements, abuse of dominant position, and anti-competitive mergers and acquisitions. The PCA aims to enhance market competition for the benefit of both consumers and businesses.

In order to effectively carry out the mandated functions, operational and administrative requirements of PCC, the use and availability of official PCC motor vehicles is essential.

As such, to ensure accountable and judicious use, proper upkeep, maintenance, and timely repair of said vehicles, the PCC intends to engage a Service Provider for the provision of repair and maintenance services, including the supply and installation of spare parts, for the PCC motor vehicles.

3	Five (5) 2017 Toyota Altis (A/T)	PhP 99,000.00
	TOTAL	PhP 269,500.00
