## **Provision of Fleet Card Services for the Philippine Competition Commission for CY 2023**

**IB No. 2023-EPA-0007**

**Government of the Republic of the Philippines  
Philippine Competition Commission**

**Sixth Edition  
25 October 2022**

**Preface**

These Philippine Bidding Documents (PBDs) for the procurement of Goods through Competitive Bidding have been prepared by the Government of the Philippines for use by any branch, constitutional commission or office, agency, department, bureau, office, or instrumentality of the Government of the Philippines, National Government Agencies, including Government-Owned and/or Controlled Corporations, Government Financing Institutions, State Universities and Colleges, and Local Government Unit. The procedures and practices presented in this document have been developed through broad experience, and are for mandatory use in projects that are financed in whole or in part by the Government of the Philippines or any foreign government/foreign or international financing institution in accordance with the provisions of the 2016 revised Implementing Rules and Regulations of Republic Act No. 9184.

The Bidding Documents shall clearly and adequately define, among others: (i) the objectives, scope, and expected outputs and/or results of the proposed contract or Framework Agreement, as the case may be; (ii) the eligibility requirements of Bidders; (iii) the expected contract or Framework Agreement duration, the estimated quantity in the case of procurement of goods, delivery schedule and/or time frame; and (iv) the obligations, duties, and/or functions of the winning bidder.

Care should be taken to check the relevance of the provisions of the PBDs against the requirements of the specific Goods to be procured. If duplication of a subject is inevitable in other sections of the document prepared by the Procuring Entity, care must be exercised to avoid contradictions between clauses dealing with the same matter.

Moreover, each section is prepared with notes intended only as information for the Procuring Entity or the person drafting the Bidding Documents. They shall not be included in the final documents. The following general directions should be observed when using the documents:

- a. All the documents listed in the Table of Contents are normally required for the procurement of Goods. However, they should be adapted as necessary to the circumstances of the particular Procurement Project.
- b. Specific details, such as the “*name of the Procuring Entity*” and “*address for bid submission*,” should be furnished in the Instructions to Bidders, Bid Data Sheet, and Special Conditions of Contract. The final documents should contain neither blank spaces nor options.
- c. This Preface and the footnotes or notes in italics included in the Invitation to Bid, Bid Data Sheet, General Conditions of Contract, Special Conditions of Contract, Schedule of Requirements, and Specifications are not part of the text of the final document, although they contain instructions that the Procuring Entity should strictly follow.
- d. The cover should be modified as required to identify the Bidding Documents as to the Procurement Project, Project Identification Number, and Procuring Entity, in addition to the date of issue.
- e. Modifications for specific Procurement Project details should be provided in the Special Conditions of Contract as amendments to the Conditions of Contract.

For easy completion, whenever reference has to be made to specific clauses in the Bid Data Sheet or Special Conditions of Contract, these terms shall be printed in bold typeface on Sections I (Instructions to Bidders) and III (General Conditions of Contract), respectively.

- f. For guidelines on the use of Bidding Forms and the procurement of Foreign-Assisted Projects, these will be covered by a separate issuance of the Government Procurement Policy Board.

## TERMS OF REFERENCE

### Provision of Fleet Card Services for the Philippine Competition Commission for CY 2023

#### I. RATIONALE

The Philippine Competition Commission (“PCC”) is an independent quasi-judicial body created to promote and maintain market competition by regulating anti-competitive conduct. It is primarily tasked with enforcing the State policy to enhance economic efficiency and promote free and fair competition in trade, industry, and all commercial economic activities.

To attain its Vision and Mission and efficiently perform its mandate, the PCC intends to engage an entity (the “Service Provider”) which could provide a Fleet Card Program (“Program”). The “Program” pertains to the use of fleet cards as payment for petroleum fuels (e.g., diesel and gasoline) at gasoline stations. Essential to meet the PCC’s operational and administrative requirements, including the delivery of services to the public, the fleet card program likewise helps to control unauthorized and excessive spending of fuel by setting fuel limits. Spending patterns such as grade of fuel, fueling frequency, time of fueling, and fuel location can also be tracked, assessed and managed to determine possible reduction of expenses.

#### II. APPROVED BUDGET FOR THE CONTRACT

The total Approved Budget for the Contract (“ABC”) for one (1) year is **Two Million Seven Hundred Thousand Pesos (PhP2,700,000.00)**, inclusive of all applicable taxes and fees.

#### III. CONTRACT DURATION

The contract shall be for a period of one (1) year from receipt of the Notice to Proceed (“NTP”) or until consumption of the total contract amount, whichever comes first.

#### IV. QUALIFICATIONS OF THE SERVICE PROVIDER AND OTHER REQUIREMENTS

- A. The Service Provider must have completed, within three (3) years prior to the deadline of submission of bids, a single contract that is similar to this project equivalent to at least fifty percent (50%) of the ABC.
- B. The Service Provider must comply with the minimum number of gasoline stations, as follows:
  - a. At least twenty (20) gasoline stations within Metro Manila; and

- b. At least one hundred (100) gasoline stations within Luzon excluding Metro Manila.
- C. The Service Provider must have a web-based program/application for data tracking or monitoring, which reflects the monthly purchases of PCC service vehicles.
- D. The Service Provider must provide the PCC with vehicle-specific fleet cards containing the following information, among others:
  - a. Card number;
  - b. Agency name;
  - c. Vehicle details (type of vehicle and plate number);
  - d. Product restriction (type of fuel, other services, allocation, and frequency of service); and
  - e. Expiry date;
- E. Only PCC service vehicles indicated in their respective fleet cards shall be allowed to avail of the fuel within the limitations categorically stated therein.
- F. Service stations of the Service Provider shall issue transaction slips reflecting the purchase information every time fuel product is availed.
- G. There should be 24/7 availability in the provision of fuel requirements by the Service Provider's gasoline stations, within the duration of the contract, based on the following ratings:
  - a. Diesel (minimum of 50 Rating Cetane Number)
  - b. Gasoline (minimum of 90 Rating Octane Number).

## V. SCOPE OF SERVICES AND DELIVERABLES

The following shall be the scope of services to be delivered by the Service Provider:

- A. Provide or dispense petroleum fuel products to PCC vehicles with Fleet Cards indicating the information prescribed in item Section V.D. hereof, provided this should not exceed the maximum monthly allocation per vehicle. However, the Service Provider may supply a particular PCC service vehicle with additional fuel in excess of the monthly ceiling, subject to the guidelines to be issued by the Administrative Office of the PCC;
- B. **Within fifteen (15) calendar days** upon issuance of the NTP, the Service Provider shall provide the PCC with one (1) vehicle-specific fleet card per vehicle as needed as provided in Section IV.D.;
- C. **Within fifteen (15) calendar days** upon issuance of the NTP, the Service Provider shall make available for use of the PCC the web-based program/application account for data tracking or monitoring, which reflects the monthly purchases of the PCC service vehicles;
- D. Ensure availability and replenishment of fuel products on the first calendar day of

every month, estimated as follows:

- |          |   |  |
|----------|---|--|
| Diesel   | - | 12,960 liters more or less,<br>depending on the pump price |
| Gasoline | - | 23,400 liters more or less,<br>depending on the pump price |

- E. Ensure that monthly statements of account are consistent with the transaction slips issued by the gasoline stations, and that the total bill reflects the discount offered in the Statement of Compliance (Annex A).

## **VI. AWARD OF CONTRACT**

The contract shall be awarded to the bidder that complies with the minimum requirements and offers the highest discount.

## **VII. MODE OF PROCUREMENT**

The mode of procurement shall be Competitive Bidding in accordance with the provision of 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184 or the Government Procurement Reform Act.

## **VIII. PAYMENT SCHEME / TERMS OF PAYMENT**

Payment shall be computed at actual fuel consumption, based on prevailing pump prices less applicable discounts.

The purchases within a given billing cycle based on the actual consumption of fuel, irrespective of purchase date, shall fall due and be payable thirty (30) calendar days after the PCC's receipt of the Statement of Account or Billing Statement per billing cycle. If actual fuel consumption for a month exceeds the ABC (pro-rated monthly), the Service Provider shall send a corresponding bill for the excess amount to the PCC, in which case a separate payment with the same rate shall be made. Late payment due to the delay of the billing statement should not be a ground for suspension of the fleet cards services.

In case the fleet card is damaged, lost, or stolen, the PCC will be charged the following replacement fees per card:

- a. Damaged Card – PhP250.00
- b. Lost Card – PhP250.00

## **IX. LIQUIDATED DAMAGES**

If the Service Provider fails to deliver any or all of the goods and/or to perform the services within the period specified in this contract, the PCC shall, without prejudice to its other remedies under this contract and under the applicable law, deduct from the contract price as liquidated damages, the applicable rate of one-tenth (1/10) of one

percent (1%) of the cost of unperformed portion for every day of delay, provided that the maximum deduction shall not amount to ten percent (10%) of the amount of the contract. In case the total sum of liquidated damages reaches ten percent (10%) of the total contract price, the PCC reserves the right to rescind the contract, without prejudice to other courses of action and remedies open to it.

**X. DISPUTE RESOLUTION**

- A. Should any dispute related to the Contract and/or rights of the parties therein arise, the same shall be submitted to mutual consultation, mediation, and arbitration, in the order of application. The venue of the proceedings shall be in Quezon City.
- B. In case of a court suit, the venue shall be the courts of competent jurisdiction in Quezon City, to the exclusion of all other courts; and
- C. Any amendment or additional terms and conditions to the Contract must be in writing, signed, and acknowledged by the Parties.
