TERMS OF REFERENCE

Provision of Learning Service Provider for the Capacity Building on Data Management and Analytics

I. Background

The Philippine Competition Commission (PCC) is an independent, quasi-judicial body mandated to implement Republic Act (R.A.) No. 10667 or the Philippine Competition Act (PCA). The PCA prohibits anti-competitive agreements, abuses of dominant position, and anti-competitive mergers and acquisitions as the law aims to enhance market competition for the benefit of consumers and businesses.

As the country's public sector gears toward the era of digital transformation, the PCC commits to continuously improve its systems and processes to align with the changing organizational needs and ensure the efficient and successful delivery of its organizational mandates.

However, these changes may pose potential challenges in the agency's operational decision-making process, strategic planning or policymaking and implementation. Thus, incorporating and establishing a more data-driven approach is crucial in arriving at high-impact organizational decisions and performance.

II. Objective

The capacity building activity on Data Management and Analytics aims to strengthen the participants' analytical insights and skills to aid in making informed and actional decisions for resolving organizational challenges.

At the end of the capacity building program, the participants are expected to:

1. Understand the data analytics concepts and fundamentals, and their significance to organizational decision-making;
2. Apply appropriate statistical tools and techniques in managing, presenting, analyzing, and interpreting data effectively; and
3. Create and implement data-driven strategies and recommendations for organizational problems.

III. Course Design

The capacity building activity shall introduce target participants to the concept of big data analytics. Specifically, the program design should cover, but not limited to, the fundamentals of data management and analytics, as follows:

1. Data Analytics

- a. Descriptive Analytics
- b. Diagnostic Analytics
- c. Predictive Analytics (i.e., Regression Analysis)
- d. Prescriptive Analytics

2. Data Management

- a. Introduction to Databases
- b. Introduction to Data Warehousing and Data Mining
- c. Overview of Data Modeling (i.e., relations, ER diagrams, entities and attributes, etc.)
- d. ETL: Extraction, Transformation and Loading

3. Data Preparation and Visualization

- a. Developing Key Performance Indicators
- b. Creating Dashboards using PowerBI

IV. Scope of Works

The Learning Service Provider (LSP) will be engaged for a duration of one month for the delivery of the capacity building program, and is expected to do the following:

1. Develop a course design on Data Management and Analytics setting out the course learning outcomes, delivery strategy, and course schedule. The course design should (a) be tailor-fitted to the assessed needs of the PCC, and (b) include detailed interactive and learner-centered methodologies, such as lecture, workshop, case study and/or practical exercises, and reaction and learning evaluation plan that will be employed over the course of the program;
2. Prepare online system/platform to be used during the program, equipment, course and presentation materials, training kits, banner, and other necessary training materials. Advance copy of presentation materials should be provided to PCC Administrative Office (AO) – Human Capital Management Division (HCMD);
3. Conduct pre- and post-program competency assessment of participants against the learning objectives of the program. The results of the pre- and post-program assessment shall be used to determine the achievement of the course objectives and efficacy of course design and delivery;
4. Facilitate and deliver four (4) to six (6) online sessions of the program, with a maximum duration of 4 hours per session-day, to twenty-five (25) participants;
5. Incorporate creative and engaging activities, such as, but not limited to, hands-on activities, case studies, polls or short discussions, plenary discussions, etc.;
6. Provide PCC participants with digital copies of course and reading materials;
7. Administer post-program evaluation survey to PCC participants;

8. Issue digital certificates to the PCC participants upon completion of the program; and
9. Submit a Terminal Report on the course delivery and administration, individual pre- and post-competency assessments, course feedback from participants, analyses of issues, and recommendations to serve as inputs to succeeding capacity-building activities.

The AO-HCMD, as the project’s end-user, shall undertake the following responsibilities to ensure the LSP’s complete delivery of the abovementioned scope of works:

1. Provide orientation on all the relevant information and resources to accomplish the scope of works;
2. Review and approve all project deliverables prepared by the LSP; and
3. Assign a HCMD focal person who will coordinate with the LSP throughout the duration of the project engagement.

V. Deliverables and Timelines

Below is the proposed schedule for each deliverable of the project.

Deliverables	Timeline
(1) Original signed course design setting out the course learning outcomes, delivery strategy and course schedule, including various methodologies (2) Advance copy of presentation materials	Within five business days after receipt of the Notice to Proceed
(3) Advance copies of the survey forms for: (a) pre- and post-competency assessment of participants; and (b) program evaluation for each synchronous and asynchronous session	At least two business days before the conduct of Session 1 of the Program
(4) Digital copy of final presentation and reading materials used during the training	At most three business days after the conduct of the last session of the Program
(5) Complete set of certificates of participation/completion of qualified participants indicating the total number of training hours each participant has earned (6) Accomplished attendance sheet for every session with total number of hours accumulated by each participant	At most fourteen business days after the conduct of the last session of the Program
(7) Original signed Terminal Report on the course delivery and administration, accomplished individual pre and post competency assessments, course feedback from participants, accomplished post-program evaluation forms, and analyses of issues and recommendations.	At most fourteen business days after conduct of the last session of the Program

The PCC Project Manager certifies the completion of each deliverable.

VI. Minimum Qualifications and Requirements for Service Provider

To qualify as the learning service provider for the project engagement, the prospective bidder should meet the following qualification requirements:

A. Applicable Experience

- a. Must have at least five (5) years of experience in providing consultancy and training services in statistics, data management, data analytics, research and analysis, and/or other similar or related areas; and
- b. Has previous or ongoing engagement/s with at least five (5) institutions in similar or related programs, at least two (2) of which were engagements with the public/government sector.

B. Quality of Personnel

- a. Designated resource/facilitator must have at least a Bachelor's degree in Statistics, Applied Mathematics, Computer Science, Economics and/or other similar or related degrees; and
- b. Designated resource/facilitator must have at least three (3) years of work experience of delivering programs of similar nature to public and/or private sector organizations.

Likewise, the service provider should meet all the requirements set by the Government Procurement Reform Act (R.A. No. 9184) to be eligible to participate in the procurement, as follows:

1. Duly licensed Filipino citizens/sole proprietorships;
2. Partnerships duly organized under the laws of the Philippines, of which at least sixty percent (60%) of the interest belongs to citizens of the Philippines;
3. Corporations duly organized under the laws of the Philippines and of which at least sixty percent (60%) of the outstanding capital stock belongs to citizens of the Philippines;
4. Cooperatives duly organized under the laws of the Philippines, and of which at least 60% percent belongs to citizens of the Philippines; or
5. Persons/entities forming themselves into a joint venture, i.e., a group of two (2) or more persons/entities that intend to be jointly and severally responsible or liable for a particular contract; provided, however, that Filipino ownership or interest thereof, shall be at least 60%. For this purpose, Filipino ownership or interest shall be based on the contributions of each of the members of the joint venture as specified in their JVA.

Qualifications of the bidder will be evaluated based on the original signed extensive curriculum vitae submitted by the bidder. Also, for partnerships and corporations, bids will be evaluated based on the submitted: (a) DTI or SEC registration submitted indicating the year of registration and/or other relevant documents; (b) list of completed and on-going contracts; (c) copies of Certificates of Satisfactory Service Rendered / Certificates of Completion; and (d) original signed extensive curriculum vitae of the lead lecturer / facilitator / learning service provider to conduct the training program.

VII. Approved Budget for the Contract and Mode of Procurement

The Approved Budget for the Contract (ABC) for this engagement is **Two Hundred Seventy-Five Thousand Pesos (PhP275,000.00)**, inclusive of all applicable government taxes and service charges.

The procurement of the Services shall be undertaken through Negotiated Procurement – Small Value Procurement pursuant to RA No. 9184 and its revised Implementing Rules and Regulations (IRR).

VIII. Mode of Payment

Payment shall be endorsed to the Director of Administrative Office; and the payment shall be released within fifteen (15) days upon receipt of the billing statement supported by a Certificate of Satisfactory Service Rendered, and the PCC's acceptance of the deliverables listed above.

IX. Information Security and Non-Disclosure Agreement

To ensure protection of PCC assets, service providers are expected to observe and abide by the established PCC Information Security Management System (PCC ISMS) and shall agree to sign a non-disclosure agreement.

All data, documents, records, backup files and Virtual Machine (VM) configuration files and metadata (collectively "Information") to be provided to the Service Providers for purposes of delivering the Services are considered confidential information and shall remain the sole property of PCC. The Service Providers shall acknowledge the importance of maintaining security and confidentiality of the Information and agree to prevent unauthorized transfer, disclosure, or use of these Information by any third person or entity. Service Providers shall not use the Information for any purpose other than in connection with the Services. Service Providers shall ensure that it will not retain, after completion of the Services with which the Information was provided, all or any portion of the Information, in any manner whatsoever.

Upon completion of the Services, all Information shall be deleted by PCC. The Service Provider shall not keep any copy of the Information in either digital or physical format, including, but not limited to notes, documents, memoranda, and other writing, electronic records, communications, and the like.

X. Liquidated Damages

If the LSP fails to deliver any or all of the goods and/or to perform the services within the period specified in this contract, the Procuring Entity shall, without prejudice to its other remedies under this contract and under the applicable law, deduct from the contract price as liquidated damages, the applicable rate of one-tenth (1/10) of one percent (1%) of the cost of unperformed portion of every day of delay. Pursuant to Section 68 of Republic Act No. 9184, otherwise known as the Government Procurement Reform Act, the maximum deduction shall be ten percent (10%) of the amount of the contract. Once the maximum is reached, the procuring entity reserves the right to rescind the contract, without prejudice to other courses of action and remedies open to it.

XI. Dispute Resolution

Should any dispute related to the Contract and/or rights of the parties arise, the same shall be submitted to mutual consultation, mediation and arbitration, in the order of application. The venue of the proceedings shall be in Quezon City.

In case of a court suit, the venue shall be the courts of competent jurisdiction in Quezon City, to the exclusion of all other courts; and

Any amendments and additional terms and conditions of the Contract must be in writing, signed and acknowledged by the Parties.
