ENGAGEMENT OF A CONSULTING/SURVEY FIRM FOR THE
FY 2022 PCC CLIENT SATISFACTION SURVEY**

I. BACKGROUND AND RATIONALE

The Philippine Competition Commission (“PCC”) is a quasi-judicial body mandated to implement the national competition policy and enforce Republic Act No. 10667 or the Philippine Competition Act, which serves as the country’s primary competition law to maintain and promote market competition by regulating anti-competitive conduct.

Since its formal organization in 2016, the PCC has implemented organization-wide programs supporting the government’s citizen-centered, clean, and efficient governance. Its ongoing initiatives include the implementation of a Quality Management System that aims to promote quality and stakeholder-oriented culture within the organization.

With the government’s initiative to effectively streamline and improve the processes across all agencies through the enactment of Republic Act No. 11032 or the Ease of Doing Business and Efficient Government Service Delivery Act of 2018, the measurement and reporting of the satisfaction level of the clients has been required by the Anti-Red Tape Authority (“ARTA”). Consequently, this has been identified as one of the requirements to be eligible for the grant of the annual performance-based bonus. As such, agencies should ensure that appropriate feedback mechanisms and client satisfaction measurements are put in place alongside other process improvement efforts.

To comply with these requirements, the PCC has developed appropriate feedback mechanisms and client satisfaction measurement tools covering the external services¹ outlined in its Citizen’s Charter. These tools need to be implemented and regularly appraised to ensure that they remain responsive to the requirements of oversight agencies and the Commission’s needs.

¹ Review of Mergers and Acquisitions Transactions; Provision of Pre-Notification Consultation; Evaluation of Letters of Non-Coverage; Receipt and Processing of Enforcement Complaints; Issuance of Binding Ruling; Receipt and Processing of Enforcement Related Questions and Queries; Provision of Orientation-Seminar on the PCA and PCC under the Competition Orientation Outreach Program; and Issuance of Certificate of Employment (COE) and Service Record (SR)
